Study Skills Guide: Study Tips, Strategies & Lessons

2 Physics guide Introduction The Diploma Programme The Diploma Programme is a rigorous pre-university course of study designed for students in the 16 to 19 age range. It is a broad-based two-year course that aims to encourage students to be knowledgeable and inquiring, but also caring and compassionate.

Physics guide

I highly recommend getting a physical study guide that can devote pages and pages to this section as well as briefly looking over some FAA regulations (faa.gov). Also, this section has some basic scientific principles such as energy and Newton's laws which I have a separate quick study guide for also.
