A Cold Legacy The Madmans

Filled with chilling suspense, dark science, and a highly atmospheric setting, A Cold Legacy is the finale book in author Megan Shepherd's trilogy The Madman's Daughter - a conclusion that I have been breathlessly waiting on with high anticipation.

A Cold Legacy (The Madman's Daughter, #3) by Megan Shepherd

A Cold Legacy is the last book (sigh* and sad face) in The Madman's Daughter series by Megan Shepherd and is a classic retelling of Mary Shelley's Frankenstein (I have to type is like that because it does not sound as good if written the other way LOL). I have a lot of bitter sweet memories about this book.

A Cold Legacy is an homage to Mary Shelley 's novel Frankenstein and often references Dr. Frankenstein, his creature, and his work. There are a number of medical procedures faintly described that, of course, weren't possible back then (shortly before the 20th century) and are still not possible now. Positive Messages.
