Collision Theory Flashcards | Quizlet

The Collision Theory Gizmo allows you to experiment with several factors that affect the rate at which reactants are transformed into products in a chemical reaction. You will need blue, green, and orange markers or colored pencils for the first part of this activity. 1. Look at the key at the bottom of the SIMULATION pane.

Student Exploration: Collision Theory

She also identified that the collision was essential to the reaction. Identifying many issues with full recognition of the three components of collision theory (collision with proper alignment and enough kinetic energy), I decided to give a short lecture the following day on the collision theory to firm up the gaps after the Gizmo.
