Best E30 Engine Swap

This involves taking your normal e30 and putting an e30 m3 engine in. The engine is a 2.3 liter 4 cylinder engine that produces more power then the 2.5 liter inline 6 that is found in the 325i. Repairs arent cheap, not really a recommended swap unless you know it is what you want.

E30 engine swap options | RTS - Your Total BMW Enthusiast

The Standard Engine swaps are the easiest; parts are common, and the E30 was designed to have this engines fitted from the factory so, on the whole, they drop straight in. In contrast the Motorsport engines are the real hero swaps; some serious fabrication will be required, as well as a big fat wallet to cover the parts you need.

Engine Swaps - E30 Zone Wiki

whats the best e30 engine swaps out there? Jump to Latest Follow 1 - 16 of 16 Posts. 3 ... what engine is exactly in it its not an 325i or 325e it just says 325 on the back also i was probably going to swap the engine for the me 325i engine or what would be a good swap to do that i can throw a turbo on and have some fun for a 17 year old ...

whats the best e30 engine swaps out there? | BMW E46 ...

I have been thinking about getting an E30. It would be for a daily driver. I would want an engine swap to get around 200-240hp. So which in your opinion are the best? An S50 would probley be more than I am willing to spend. So I thought about some cheaper Japanese engine. What would you do? My budget is around 6,000 as a whole.

E30's Best engine swap option? - Bimmerforums.com

E30 DOHC Swap Basics - M50, M52, M52 and S50 So it has come to our attention that the legendary E30 DOHC wiki page is down and gone forever. So instead of letting it die, we have rehosted a copy of this guide. Keep in mind, this was the original work of the e30dohc-swap.wikia website that is no longer hosted. All credi

What engine swap would be best for a e30, he's a lil too ...

Best engine swap for the money? I'm thinking about buying a 318i and swapping out the crappy stock engine for something with some more power. I'm on a limited budget, so a balance of power and reliability would be nice.

Best engine swap for the money? : E30

dude dont try to get away with doing a swap for cheap..just figure out what your needs/wants are and figure out what engine best suits you. then if you cant do it yourself, pay a good mechanic to do the work for you that is not gonna take the cheap way out on stuff bc thats where youll really get screwed over..when a mechanic does a half ass job.

Most Cost Effective Swap for E30 - Bimmerforums.com

Generally speaking, the best engines to swap into the E30 are the E36 M3 engines, S50B30 and S52B32. Both produce enough power to make the swap worthwhile. The S54 from the E46 M3 is rated at 330 hp. It's size, light weight, and power make it an attractive E30 swap candidate. However, it is not an easy engine to install.

Techtips - BMW E30 Engine Swaps - CarTech Books

The E30 pedal ratio is much longer than a Honda or Miata, which initially resulted in a very heavy throttle pedal. Our elegant solution replaces the small wheel with a piece that matches the pedal ratio of the E30 exactly. Best of all, it pairs up with an OEM E30 318i throttle cable (M42 engine), part 35411158724.

The K24 BMW E30 Swap Package is Here! - KPower Industries

S50 - the easiest way to swap a powerful, ready to rock, and reliable engine into your E30 is with the OBDI M3 engine. The 3-liter straight-six offers tons of potential but doesn't require a bunch of wiring changes to swap. S52 - basically the same as the M52 but with bigger cams, more displacement, and a higher price.

The Best Mods, Maintenance, and Upgrades for the BMW E30 ...

No E30 feels better than one with a built engine. All of our M54 engine swaps now consist of a minimum standard of a rebuilt engine. This includes new bearings, piston rings, machine work, a cylinder head reco and full assembly with new gaskets, bolts and timing chain hardware.

E30 Engine Swaps - Brintech Customs

What 24v engine is the best one for a swap into E30? When you put down all of the options on a paper and you average everything out, the M54B30 is what tops the list. Reason: 1: weights similar to M20 2: it makes same power as S52 3: it has a torque curve similar to small V8, starts early and...

M54 dual vanos engine swap into E30 | Bimmerfest BMW

I planning to have an engine upgrade-swap soon, however I dont know what engine I can best use with my e36, M43 318i automatic. some suggest M3. a friend with a car like mine, though manual, replaced his with Z3. will a 320 fit in? I want to do the least modification, a best plug and play engine will do, thanks in advance.

What engine can I swap with my 318i | BMW Werkz

When something breaks, sometimes the best option is to swap in a bigger engine instead of fixing whatever broke. Such is the case for forum user BeardedMuffin, who after experiencing some engine difficulties with a BMW 318i (not be confused with a 318is), decided the best course of action was to drop in a Chevrolet LS V8.Sure, BeardedMuffin may not be the first to person to put a LS in an E30 ...

Your Projects: A Home-Brewed, LS-Swapped E30 BMW | News ...

So you can see why an engine swap appeals on an E30, and the S50B30 made sense to Mike. The E36 M3 was a heavier, ... which is probably the best coupe BMW ever made. Advertisement.
