A scold's bridle, sometimes called a witch's bridle, a brank's bridle, or simply branks, was an instrument of punishment, as a form of torture and public humiliation. The device was an iron muzzle in an iron framework that enclosed the head (although some bridles were masks that depicted suffering). A bridle-bit (or curb-plate), about 2 in × 1 in (5.1 cm × 2.5 cm) in size, was slid into the ...

Dear Cecil: Did medieval lords really have the "right of the first night" — that is, the right to be the first to bed the local brides? This figured in the movie Braveheart, and I know I have seen other references to it.I'm not saying the big shots didn't take advantage, but I have a hard time believing this was a generally accepted custom, much less a law.
