Multiple cause-single effect: conversely, that there are several reasons (usually with varying degrees of causation) for one result. Causal chain (domino theory): in which each effect becomes the cause for yet another effect, and if interrupted at any point the chain is disrupted. Multiple cause-multiple effect: several reasons cause some ...

### Cause and Effect | Department of English

After our role-playing, we created our own cause and effect sentences that related to school. I let them get a bit creative. I had one student's homework being abducted by aliens (well, it is cause and effect). After creating our sentences, we created chains. No, not those loopy "yawn" chains. These:

### Not Your Traditional Cause and Effect Chains - The Owl Teacher

The cause and effect essay should be based entirely on facts. Link the causes to the effects using transitional words in your body paragraphs. Successfully linking causes and effects depends on the approach you are following for your essay. You may use either one of the structures mentioned above to present the causes and effects of your topic.
