01/18/10 Chapter 12 -- International Bond Markets 10 Withholding taxes Prior to 1984, the United States required a 30 percent withholding tax on interest paid to nonresidents who held U.S. government or U.S. corporate bonds. The repeal of this tax led to a relative decrease in yield on U.S. government securities and increase in yield on Eurodollar bonds. Market participants will react to tax code changes.
