With a Shop Manual you'll do it right the first time. Factory manuals are best. (most of the time, anyway) I really like Haynes manuals too, and Clymer manuals are good. If you are working on older bikes, and if you can find them, Glynn's manuals are excellent. You can get shop manuals from a lot of different places.

Dan and Danielle Bean, married for 25 years and veteran parents of 8 children, offer a modern take on an ancient idea: in marriage, we are called to something greater than ourselves. What can that mean in a modern world that abhors sacrifice, rejects the concept of permanence, and devalues the sacrament of marriage? ...
