I love Ducati's, but need to know if this would be a good option for a first bike, or if I should go with something else, from a different manufacturer at first. I know this is an entry level bike (according to my dealer), but how expensive is the maintenance? other costs involved? What is a 2007 800 ss with 3k miles worth in good shape?

The build was a client commission, and the 900 SS had only 9,000 kilometers on the clock when it arrived in the workshop. Despite its age, it was in 'as new' condition. KD have ditched the bulbous fairing and tail unit, but kept the tank—which works just fine as a coherent design on its own.
