Open D tuning | Wiki @ Ultimate-Guitar.com

Slide Guitar and Fingerstyle Playing Like the other open tunings, Open C is well suited to playing with a slide. In this tuning, because the major chords are formed with a barre across all six strings, you can access these chords using the slide which isn't possible in standard tuning.

The Blues Guitar: Open C Tuning

American primitive guitar can be characterized by the use of folk music or folk-like material, driving alternating-bass fingerpicking with a good deal of ostinato patterns, and the use of alternative tunings such as open D, open G, drop D and open C. The application or "cross-contamination" of traditional forms of music within the style of American primitive guitar is also very common.
