The Story of My Heart is an autobiography, first published in 1883, by English nature writer, essayist and journalist Richard Jefferies. It is no true autobiography, but the story of a soul's awakening. Richard Jefferies describes how, leaving aside all the preconceptions of past and future, he placed himself in the eternal Now, and allowed the Now to become his soul's only guide and source of nourishment.

Not a bad memoir from a rock star type of book, but still, the vacancy I feel after I read it feels so large in my head and heart. At times charming, but alas, it is a life of sleeping with blondes, marrying blondes, having kids, the love of entertaining, the collection of 19th century art, and being rich.
