Helen Keller is an amazing woman to study when you are learning about people with disabilities, and learning about the deaf and the blind. I remember watching *The Miracle Worker* when I was younger and I was blown away by all that she overcame and the relationship and friendship between her and her teacher Anne Sullivan.

## **SuperSummary**

To this day, few realize how radical Helen Keller was as an adult—for most people, Keller's historical importance ends the second she learns how to talk. For a good discussion of Keller's life and why it is so often glossed over in history classes, check out the first chapter of James W. Loewen's book *Lies My Teacher*
