### History And Philosophy Of Islamic

Islamic philosophy is a development in philosophy that is characterised by coming from an Islamic tradition. Two terms traditionally used in the Islamic world are sometimes translated as philosophy—*falsafa* (literally: "philosophy"), which refers to philosophy as well as logic, mathematics, and physics; and *Kalam* (literally "speech"), which refers to a rationalist form of Islamic theology.

Preface to the Second Edition. The present edition of this History of Islamic Philosophy, which was first published in 1970, embodies a number of changes which I hope will make this book even more useful to the reader than the first one. A number of corrections have been made throughout the book, the final chapter expanded somewhat and the bibliography updated and rearranged.
