The outside-in logic leads HR to create internal organization capabilities (like agility, customer-centricity, information, culture) that match external conditions. The outside-in logic also encourages HR to source and develop leaders and employees who have the competencies of anticipating and responding to change.

### **Dave Ulrich on the outside-in view of HR — Roland Berger**

When HR works from the outside-in it has the capacity to positively impact the creation of value. Through our work with clients around the globe we've been able to identify 9 dimensions for HR teams to consider when they are journeying towards becoming an outside-in function.

### **The Critical Deliverable of Outside-In HR is Relevance**

When HR professionals start and ground their work with the business in mind, they are thinking and behaving from the
