This latest biography of Jack London comes from the doyen of London studies, and readers will not be disappointed with the result. Earle Labor's volume is a model of scrupulous research—all the more important in the case of London, who repeatedly inflated stories of his life to match the desired image he was projecting in his fiction.

Jack London: An American Life | Journal of American ...
Jack London was born in San Francisco, California. His mother, Flora Wellman, became pregnant with Jack while living with William Chaney, an attorney and astrologer. Chaney left Wellman and did not play an active role in Jack's life. In the year that Jack was born, Wellman married John London, a Civil War veteran.

Jack London: His Life and Work - ThoughtCo
A revelatory look at the life of the great American author—and how it shaped his most beloved works Jack London was born a working class, fatherless Californian in 1876. In his youth, he was a boundlessly energetic adventurer on the bustling West Coast—an oyster pirate, a hobo, a sailor, and a prospector by turns.
