Jazzhacker® Scales and Modes for Guitar and Bass

Jazzhacker® Scales and Modes. This page presents a bit of music theory to set the context for scale and mode study. Scales and modes are derived from the 12-note chromatic scale that forms the basis of most Occidental (i.e., Western) music. The chromatic scale consists of 8 natural and 4 accidental notes. Accidentals occur between some of the naturals.

JAZZHACKER

Scales and modes are crucial building blocks of music, and your favorite music can be found within these scales and modes. The Jazzhacker format displays an entire fingerboard with position markers (i.e., frets, or the point of correct intonation on fretless instruments) and note names and intervals, along with scale and mode names and formulas, all at a glance.
