Kindergarten Math Journal Prompts | The BUNDLE by Deedee ...

Introducing Math Journals. You know nothing is really easy the first week of school, so dialing back the pace a bit while students are learning the routines is important.. So when I introduce math journals, I want the students really close to me. I have them bring their crayon box to the carpet and then I hand out their journals. This is always a big deal.

starting kindergarten math journals

The format is exactly the same as my Kindergarten Math Journals. The journal prompts are easily printed and cut out for student use. When you use daily journal prompts in the classroom, you can really see the growth of students throughout the year. I loved showing these journals to parents and letting them see the progress their child made.

Kindergarten Journal Prompts for Daily Literacy Practice

Journals work best when students know they will not be evaluated (or graded) on their writing, and that it is a safe place to record their thoughts. When beginning to use journals, model journal writing for the class. Students should be aware of what is expected of them in relation to quality, content, and length.
