2019 MINI Cooper Specifications - The Car Connection

Austin Motor Company's small straight-4 automobile engine, the A series, is one of the most common in the world [citation needed]. Launched in 1951 with the Austin A30, production lasted until 2000 in the Mini. It used a cast-iron block and cylinder head, and a steel crankshaft with 3 main bearings. The camshaft ran in the cylinder block, driven by a single-row chain for most applications, and ...

BMC A-series engine - Wikipedia

The Mini Hatch (stylised as MINI hatch, or MINI Hardtop in the US), also known as Mini Cooper, Mini One, or simply the Mini, is a three-door or five door hatchback first introduced in late 2000 by German automotive company BMW. The second generation was launched in 2006 and the third in 2014. A convertible version was introduced in 2004, with the second generation following in 2008.
