### Mooncop

The lunar colony is slowly winding down, like a small town circumvented by a new super highway. As our hero, the Mooncop, makes his daily rounds, his beat grows ever smaller, the population dwindles. A young girl runs away, a dog breaks off his leash, an automaton wanders off from the Museum of the

### Mooncop by Tom Gault - Goodreads

"Mooncop is a great exercise in restraint: a brief page count, panels with an Ernie Bushmiller level of minimalism, emotions expressed with body language and a few words...Gault mixes sweetness and melancholy in a story that's slim but not slight."—

### Mooncop | Drawn & Quarterly

The lunar colony is slowly winding down, like a small town circumvented by a new super highway. As our hero, the Mooncop, makes his daily rounds, his beat grows ever smaller, the population dwindles. A young girl runs away, a dog breaks off his leash, an automaton wanders off from the Museum of the Moon.

### Mooncop - Harvard Book Store

Gault depicts the lunar colony of Mooncop with measures of care and irony. From the start, his pages initiate a kind of game-playing with readers as much as they immerse readers in the world of the story. Gault's cross-hatching of moon rocks, for instance, is so methodical that it lends depth to the setting while also reinforcing its artifice.
