To better understand what your time on Owner's Voice will be like, we will go over the different actions a user can do and cannot do. The user's main role is to interact with other user, voting and viewing the results each month. This is the core foundation of the user's functionality, and because of this, the user will not be able to post topics or forums anywhere. To interact with other users, the user will need to do so in replies inside of topics in the Project Sheets forum. That ...
