Seeing Voices: 9780375704079: Medicine & Health Science ...

'Seeing Voices is both a history of the deaf and an account of the development of an extraordinary and expressive language' Evening Standard. Imaginative and insightful, Seeing Voices offers a way into a world that is, for many people, alien and unfamiliar - for to be profoundly deaf is not just to live in a world of silence, but also to live in a world where the visual is paramount.
