Equal opportunity, also called equality of opportunity, in political theory, the idea that people ought to be able to compete on equal terms, or on a "level playing field," for advantaged offices and positions. Proponents of equal opportunity believe that the principle is compatible with, and indeed may justify, inequalities of outcome of some sort, but there is considerable disagreement over precisely to what degree and what kind of inequalities it justifies and how it does so.

equal opportunity | Definition & Facts | Britannica

Women's rights movement, also called women's liberation movement, diverse social movement, largely based in the United States, that in the 1960s and '70s sought equal rights and opportunities and greater personal freedom for women. It coincided with and is recognized as part of the "second wave" of feminism.

women's rights movement | Overview, History, & Facts ...

It turns out that advancing equal opportunity and economic empowerment is both morally right and good economics, because discrimination, poverty and ignorance restrict growth, while investments in education, infrastructure and scientific and technological research increase it, creating more good jobs and new wealth for all of us.

Equal Opportunity Quotes - BrainyQuote

Equal Opportunity Social and economic equality was not a constitutive principle of the American system created in the Revolution and embodied in the Constitution. Inequalities in America did exist, but they were not based upon a feudal hereditary nobility as they were in Europe.

The Idea of Equality in America - Foundation for Economic ...

This argument, however, clearly neglects the point made by the Napoleonic Code. The code promised for equality of all men, and that was indeed what it accomplished. Napoleon saw to it that all men were treated fairly and had equal opportunities, such as voting, something the French Revolution struggled to attain.
