### The Firm Of The Future

Expert advice and next steps for today's accountants.

#### Firm of the Future - Expert advice and next steps for ...

The Firm of the Future is a brilliant work that adds a new dimension to the old formula for success in a professional service firm. Baker and Dunn clearly lay out a new road map to help leaders understand the differences between leveraging people and leveraging knowledge; between billing for time and pricing for value; and between doing things right and doing the right things.

The firm of the future will manage two types of businesses—Engine 1 of its core and Engine 2 of its more innovative business. Routines, discipline and continuous improvement are the hallmarks of today's engine, Engine 1. The chief traits of tomorrow's engine, Engine 2, will be innovation and rapid adaptation.

#### The Firm of the Future - Bain & Company Insights

The new model, or the "Firm of the Future," has several advantages over the old. Rather than focusing on top-line revenue, the firm is forced to think about the profitability of each client, and whether that client fits within the firm's overall purpose and strategy. Despite common belief, CPAs do not sell hours.

#### The Firm of the Future - Journal of Accountancy

The firm of the future will require leaders who can understand the industry in terms of these firm types and create a sense of mission across partnerships. What this could look like in 2027: Platforms will continue to proliferate and pursue a winner-take-all dynamic, constrained in part by social and regulatory pressure around the world.

#### The Firm of the Future | Bain & Company

Firm of the Future Team Many accounting pros have told us that it can be challenging to communicate with clients about the overall financial status of their business. It's incredibly time-consuming to boil down hundreds of rows of data into a report that is easy to understand, and, more importantly, act upon.

#### Is coworking the future? Crain's Daily Gist podcast

Michael Smets. It was a fascinating event that looked at the future of law firms in all their dimensions. That really brought home how many of the features of law firms that we take for granted are coming under increasing pressure to change; anything from the nature of expertise to new career preferences of associates to the billable hour and professional ethics.
